St Joseph’s School Portland is the only small Catholic Primary School at the South Eastern end of the Bathurst Diocese. We, at St Joseph’s, are committed to providing a quality learning environment which gives witness to the Gospel values of love, respect and justice. Religious Education is the core from which the curriculum radiates, in order to nurture and study our faith. At the same time, planned instruction and learning occurs in six Key Learning Areas – English, Mathematics, Human Society and It’s Environment, Science and Technology, Creative and Practical Arts and Personal Development, Health and Physical Education.

In 2011, St Joseph’s School, made full use of the new facilities with the new school Library being of benefit to all students and teachers. The multi-purpose Hall provided an excellent venue for assemblies, special events and Parish/School Celebrations. Through the “Quality Catholic Education” initiative, the staff focused on Teaching and Learning as “National Partnerships” continued to support the development of Quality Teaching.

This Educational and Financial Report is provided to you in accordance with the NSW Board of Studies Guidelines. This report is specific to St Joseph’s School, Portland. Please feel free to make comment to me about any element of the report.

PARISH PRIEST’S MESSAGE

I am very happy to reflect back on the last twelve months of faith and life at St Joseph’s School. I have settled into a school community at St Joseph’s that has given great witness to faith and life. The children and staff of our school are friendly, thoughtful and celebrate their faith with enthusiasm. I look forward to the next twelve months where we, together as a school, celebrate our faith, hope and love as followers of Jesus.

MESSAGE FROM PARENTS and FRIENDS ASSOCIATION

St Joseph’s Parents and Friends Association meets on the fourth Tuesday of every month. The AGM is held every February, in which new members/representatives can be elected.

Fundraising is the P&F’s major role—Fundraising helps to buy additional products and services that benefit the children of the school, eg—financing transport for school excursions, playground resources and equipment. Additional financial assistance has been also provided with Government-Funded Projects. In 2011 bus travel for excursions to Featherdale and Scenic World as well as contributions towards parental costs have lightened the financial load for both school and home. All events eg raffles are coordinated and run in conjunction with the students, teachers and parents of St Joseph’s.

St Joseph’s P&F Association also contributes to the well-being of the school by playing a supportive role. Assistance with the coordination and organisation of many social events i.e. morning teas, dinners and other special events held by the school are catered for.

CATHOLIC IDENTITY

We believe that a faith-filled caring environment where the child is encouraged to develop as an integrated person, striving for excellence, growing in relationship with God and having respect for self and others, is the vision that we have for our school. As Catholic educators, we work in partnership with parents and the St Vincent’s Parish community. All children are valued, active, members of this spirit filled faith community, which encompasses the Sacraments, Liturgical experiences and prayer.

Students are encouraged to realise their full potential and the need to grow as valued members of our school and the wider world. Fostering self-esteem is essential in our small school situation where individual growth occurs in an environment which encourages self-direction. Opportunities arise from Pastoral Care and Social Justice Activities for the development of feelings, goals and ideas in a spirit of cooperation with peers.

Religious Education programs and activities are provided for staff and students. Professional Development and Retreats are made available for staff both during school time and as extra-curricular sessions. The Year Six Retreat is an annual occurrence with students joining St Patrick’s Lithgow students for this. In 2011, students from Year Six, attended BLAST a Diocesan Youth gathering. Sister Therese Patterson, St Vincent’s Parish Administrator, once again, organised the Parish-based Sacramental Preparation Programs for families from St Joseph’s School and local state schools. The school community welcomed Fr Owen Gibbons who has continued the work of past priests in supporting the school spiritually and providing the weekly School Mass.

Fr Owen Gibbons, as St Vincent’s Parish Priest, may be contacted on 02 6351 3092 and Sr Therese Patterson, St Vincent’s Parish Administrator on 02 6355 5236 for further information.

Our aim is for the students to develop self-discipline so that they will be able to take the initiative in developing a sense of responsibility for their own actions and an appreciation that good example is a strong force in influencing others. It is hoped through such discipline, the children will learn to distinguish between acceptable and non-acceptable behaviour in various situations and accept the consequences of their actions. By learning to appreciate the need for discipline they will come to respect themselves and others.

Corporal punishment is expressly prohibited in this school. The school does not sanction administration of corporal punishment by school persons and non-school persons, including parents, to enforce discipline in the school.

The full text of the school Discipline Policy may be accessed via the school office.

Complaints and Grievances Policy
In general parents should address the problem with the staff member most closely concerned, as soon as possible after the incident. Contact regarding this should first be made with the Principal who will arrange an appointment with the relevant staff member.
If an informal approach is not successful in resolving the problem, a formal complaint may be lodged with the school through the Principal. This should be submitted in writing if possible, outlining the problem and the concerns about the initial handling of the problem.
